Sub: Implementation of Integrated Watershed Management Programme
(IWMP) from the year 2011-12

Ref: This office letter No. 3824/WM dt. 30.12.2009, No. 83/WM dt.12.1.2010,
No. 2338/WM dt. 12.11.2010, No. 2610/WM dt. 21.9.2011, No. 2839/WM
dt. 2.12.2011

Sir,

With reference to the above, it is to inform you that, Integrated Watershed Management Programme (IWMP) is in operation in 26 districts of Odisha. During the year 2011-12, 68 projects covering an area 3,79,974 hectares have been sanctioned by Department of Land Resources (DoLR), Government of India under IWMP. Common Watershed Guidelines for Watershed Development Programmes, 2008 and decisions of SLNA for implementation of IWMP have been circulated to the districts vide this office letters cited above. 6% of central share (part of 1st installment) of 68 projects has been released to the respective districts. Matching state share to the corresponding central share would be released shortly. As per sanction order of Department of Land Resources, MoRD, Government of India, expenditure would be incurred as shown below:

Item of expenditure	% of the budget
Preparation of DPR	Upto 1.0%
Entry Point Activities (EPA)	Upto 4.0%
Administrative expenditure and Institution & Capacity Building	Upto 1.0%
TOTAL	6.0%

The expenditure on the above items during the Preparatory phase shall begin immediately. You are requested to initiate activities like engagement of PIAs in all sanctioned projects, engagement of Watershed Management Teams (WMT) at PIA level, release of funds due to PIAs, preparation of Detailed Project Reports (DPRs) of all sanctioned projects, capacity building action plan for the entire project period, Entry Point Activities in each project etc. The PIA & WMT should be located as close to the watershed projects as possible and PIA could emphasis on less investment oriented confidence building measure under EPA.

You are therefore, requested to review progress of work at regular interval and efforts may be taken to complete Detailed Project Reports (DPRs) of all sanctioned projects in all respects within six months time.

Yours faithfully,

Director

Orissa Watershed Development Mission
-Cum CEO, SLNA
